whimsical pottery

"La Mer" is one of the dozens of beautifully hand-crafted pottery created by Deanna Turner's Salem-based Droll Designs, which got its start 17 years ago in the basement of an old shoe factory. Ten to 12 magically vibrant creations are designed each year, with inspirations of seasons and festivities coming all the way from the shores of Sicily to Salem.

prep yourself

Inspired by the names of the "quintessential jet set couple," Andover resident and emerging designer Rebecca Ryan founded BUNNY & CHAD

Resortwear Collections, a company featuring a great selection of colorful handbags that are fun, feminine and extremely versatile. Their casual elegance and functional shapes make these bags ideal for day or evening use. Accessorize and prep yourself this spring with the adorable bunny tote or tropical hobo available at In the Pink on 160 Washington St in Marblehead.
