planet smoothie expands orbit

Planet Smoothie has opened a new store—and just in time for summer. The smoothies are made with fruit and fresh ingredients and infused with vitamins and nutrients. Planet Smoothie also offers low carb, low cal, low fat, low sugar and high protein options.

Planet Smoothie is located at The Promenade shopping center on Naples Boulevard. For more information, call 513-1700 or visit www.planetsmoothie.com

bunny and chad

Pop quiz: Is **Bunny and Chad** the preppy couple you met last summer in Nantucket or a resort wear collection? Turns out, it's both! Miami entrepreneur Rebecca Ryan has crafted colorful canvas handbags adorned with bunnies and ribbons to see you through many summers to come!

do you believe in magic?

This season, the **Conservancy of Southwest Florida** added a little horsepower to their annual event, *Magic Under the Mangroves*. General Motors graciously donated the cost of a new van; an additional \$25,000 was raised by way of a live auction, which covered the balance of the cost of the van in addition to providing funding for environmental educational programming.
